LIMNEON

Domaine
PORTO CARRAS

Type: Red Dry, P.D.O. Meliton Slopes

Varietal Composition: Limnio

Organoleptic Analysis: Deep ruby color. Aromas of ripped forest fruits, notes of vanilla, leather and black pepper. Well-structured and velvet in mouth with intense aromas of black berried fruits and rounded sweet tannins.

Altitude:150 - 300 m.

Soil: Sandy clay.

Yield:5.000 kg/ha.

Method of Production: Classic vinification process for red wines in controlled temperatures. Aging in French oak barrels for 12 months

To Accompany: White and red meat, Mediterranean cuisine, chesses

Domaine Porto Carras is the largest organic vineyard in Greece
