

## BECCARIS CORVINA GARDA DOC 2017. VENETO.

**VARIETALS:** Corvina 100%. Hand Harvested

+40 year old vines. Estate grown. 40% of the wine aged in Oak Barrels.

**SOIL:** Chalk and broken slate

**TASTING NOTES:** Fresh red flowers and bright red berries are laced together in a wine of exquisite finesse.

Our vineyards are located on the hills surrounding Custoza, a few kilometers south-east of Garda Lake. We are located on the edge of the Dolomites, ancient glaciers formed this beautiful alpine region.

The morainic landscape that characterizes the region is marked by a dense series of hills formed by deposits left by the glaciers that formed the nearby Lake Garda, interspersed with large gravel plains.

The particularly mild micro-climate allows the growth of some Mediterranean climate crops like vines, olive trees or even citrus, which are extremely rare at this latitude (46° North).
