THE SPIRIT OF SAINT LUCIA

BOUNTY LIME

Natural lime sugars and flavors are macerated with rum at double strength. The rum is then diluted with distilled water and natural sugar to create BOUNTY Lime Rum Liqueur.

RUM BLEND: 100% column still rum at 80% abv.

TASTING NOTES: Wonderful smooth mouth feel with explosions of zesty lime citrus and tropical floral aromas. BOUNTY LIME can be mixed with tonic or is an excellent base for mixing refreshing long drinks.
