THE SPIRIT OF SAINT LUCIA

BOUNTY PREMIUM DARK

BOUNTY premium dark rum is lush and chewy from the extra body of the pot still rum. It is popular in tiki or other rum cocktails that yearn for more depth and character. Chocolate, hazelnut, and toffee overlay on top of cinnamon and tobacco leading to caramelized sugar and brown butter on the finish.

RUM BLEND: A unique blend of column and pot distilled rum aged 2-5 years in ex-Bourbon casks.

TASTING NOTES: The added pot still rum delivers a punchy character that mixes with a velvety body, and a long smooth finish and radiant splendor of a dark rum. Handsome dark chocolate with a hint of burnt coconut, and a toffee-like sweetness on the way to a rich spicy finish.
