THE SPIRIT OF SAINT LUCIA

BOUNTY PREMIUM GOLD

As Saint Lucia's most popular rum, BOUNTY premium gold rum is famous for its wonderful light butterscotch aromas and candied fruit nose. The opening palate begins soft, with a rich raisin fruit and a hint of honey and vanilla spice from aging in ex-Bourbon casks.

RUM BLEND: 100% column still rum, matured 2 years in ex-Bourbon casks.

TASTING NOTES: Medium bodied with ripe sultana fruit, vanilla from the oak and a hint of spice. Good balance, clean, and with an enjoyable finish.
