ABOUT GALERNA GARNACHA

Galerna is the wind that runs through the North coast of Spain. Like blooming flowers this wind usually arrives in in the spring. Just like the Galerna, this fresh and fruity wine will sweep you off your feet!

The Garnacha grapes thrives in hot and windy climates such as Punctum's. Anyone who loves fruit and spice will be delighted with this Galerna.

TASTING NOTES

An intense cherry red color and a violet shaded rim at first sight. Red berries with cherry notes on the nose. Soft tannins and a long finish on the palate.

SOIL

In the province of Cuenca near central Spain, our vineyard is located in an area where wine culture has been around for decades. It sits in an altitude of 800 meters above sea level. The continental mediterranean climate of this territory brings plenty of sunlight to the vineyard, and the clay soil retains water, essential for the health of the vines.

WINEMAKING

By winemaker Ruth Fernández. Half bleeded before fermenting. Clarified with Bentonite. Physical filtration. Cold stabilization. No animal product used.

MADE WITH ORGANIC GRAPES

Organically Farmed. Organic vines planted in 2005. No chemical pesticides or herbicides used. No GMO Yeast Used. Less than 100ppm Sulfites.
