

The Orchard Lane winery lies down a long quiet lane in the heart of the Marlborough wine growing region.

In an area once surrounded by apple orchards only one gnarled row remains, providing fresh apples to our winemakers over harvest.

A highly aromatic summer wine. This Sauvignon Blanc dominant Rose has been blended with just enough Pinot Noir to add that strawberries & cream character. 100% tank ferment.

Aromas of fresh raspberries accompanied by juicy citrus notes. This luscious rose has intense 'Summer in a glass' flavours of sweet strawberries & water melon held together with a crisp, off-dry, mouth watering finish.
