

# Merlet Sœurs Cerises

- ABV: 24 %
- Fruit varieties: Morello, Oblacinska cherries
- A blend with cherry distillate – for more powerful aromas -, cherry juice – for fresh cherry notes and some acidity – and a little bit of cognac for more depth and complexity.
- Tasting notes:
  - Colour: Deep crimson with purple hue
  - Nose: Powerful sour cherry aromas, subtle notes of almond and cherry kernels.
  - Palate: Ripe, almost stewed, cherry aromas dominate, followed by a refreshing tanginess. Lengthy finish thanks to the cognac.
