ABOUT

Whisky Advocate's Artisan Whiskey of the Year - The whiskey that put us on the map.

We use three individually smoked malts (cherrywood from Wisconsin, beechwood from Germany, and peat from Scotland) to craft this deep and complex whiskey. Using 3 distinct smokes provides consistent and balanced smoke from nose to the pallet and throughout the finish. Corsair never uses artificial flavors or colors, achieving superior flavor and color through quality malted barley, innovative distillation and small barrel maturation.

PRODUCT FEATURES

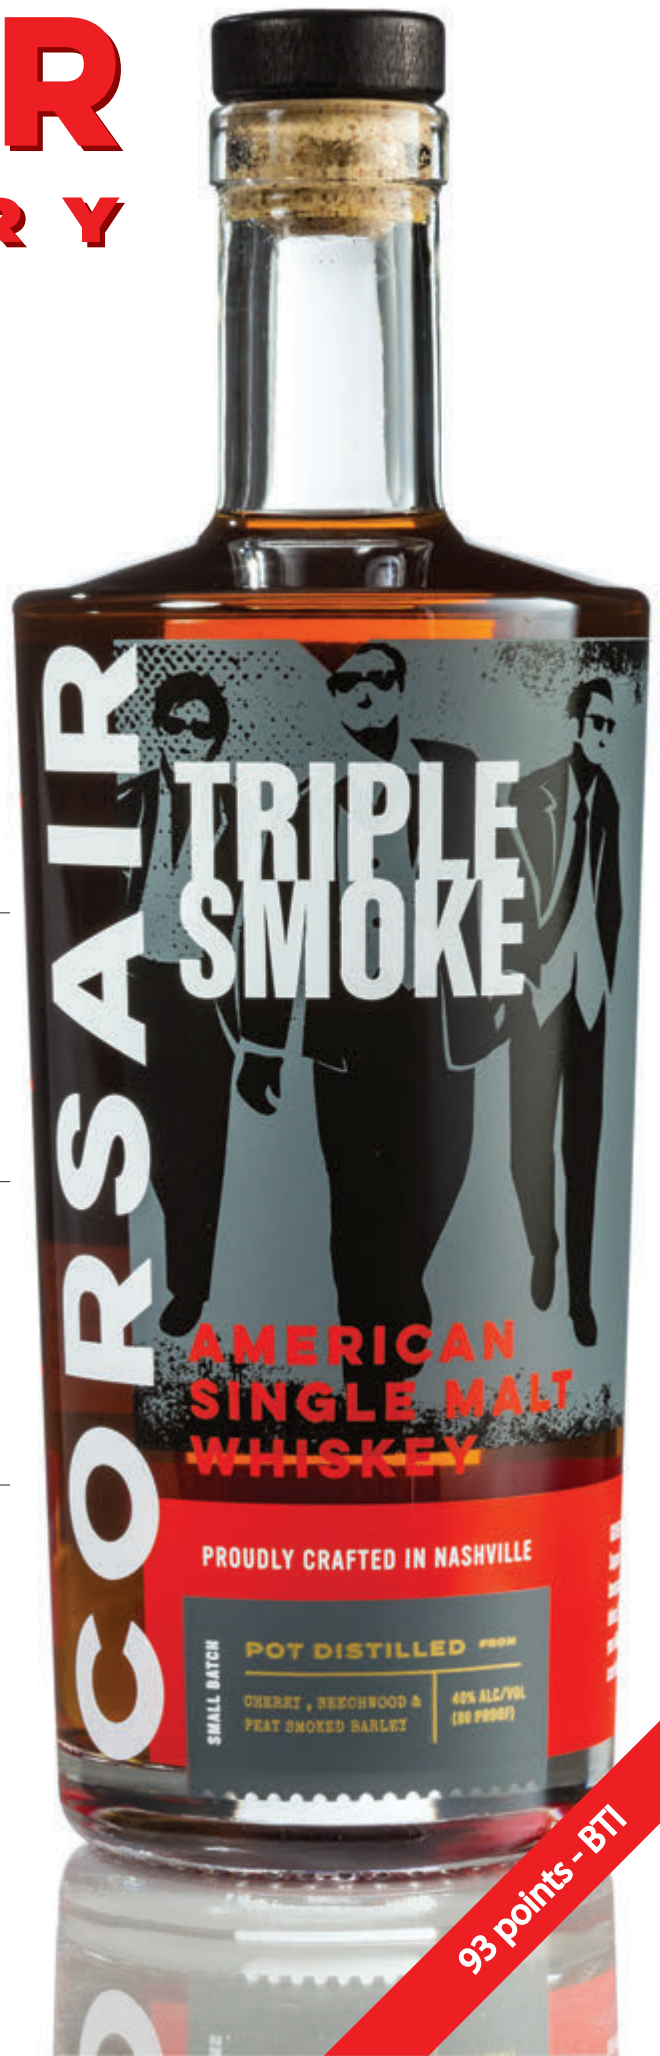

The original American Craft Whiskey
Expression of Corsair's desire to push the limits
Made 100% in house at our distillery – neversourced

KEY SELLING POINTS

No other American malt made with 3 types of smoke
Versatile - stands on its own or in a cocktail
Balance of sweet (new American charred oak) and complex subtle smoke

TASTING NOTES

Smoke and notes of cherry pervade the palate, finished by a slight brininess from the mossy peat. Pot distilled then aged in new American charred oak, Triple Smoke has the sweetness of an American whiskey with the rich smoke of an Islay single malt scotch.
