

SINGLE MALT WHISKY ORIGIN COLLECTION

This single malt is the first whisky of the range and the first one elaborated in the North-East of France in the Lorraine region. It is slightly peated, then distilled twice at Rozelieures and aged in both Sherry and Cognac casks.

These casks give intense and spicy aromas to this whisky, and has a very long finish.

75 Ol - ABU: 40%

SINCE 1890

The family Grallet-Dupic has owned and cultivated barley for 5 genera-

tions and has run its own distillery for 150 years in the very heart of a

small village named Rozelieures in the North-east of France at the

foothills of an old volcano.
